

# Planning practice activities: Quality Prescribing Initiative (QPI)

## 1 May 2007 to 30 April 2008

National Prescribing Service Limited

Use the information provided to map out QPI activities that your practice will participate in.

- See last Medicare Australia QPI/PIP payment statement or call 1800 222 032 for an estimate of the number of activities required for the current QPI year ▼
- Determine participating doctors for each activity.
- Where appropriate remind participating doctors two weeks before completion date.
- Organise for completed activities to be sent to NPS.

Enter estimated number of activities required for current QPI year here.

QPI activity type		Period available			Participating doctor/s	Date completed
